

# WINNERS 2019

After evaluating 700 products nominated by 400 brands worldwide, the 100 winners of the 2019 Archiproducts Design Awards have been revealed.

Judged and chosen by a jury panel made up of the leading figures in Architecture and Design, the winning entries stood out for their unique concept and represent the excellence in creativity, technology and research.

See below the full list and get inspired by the finest and the latest in the Industry.
