Archiproducts Design Awards 2021: Applications Closed!

More than 750 the products competing for the title Winner ADA 2021

Officially closed the application period of the 6th edition of the **Archiproducts Design Awards**. The number of products contending this year amounts to more than 750. They are joined, for the very first time, by 100 additional submissions for the new "Sustainability" Special Mention prize.

The jury – a multidisciplinary group of architects, designers, creative directors, photographers and professionals versed in eco-design and sustainable design – now has to evaluate each product's conformity and commitment to fundamental aspects of innovative, ethical and sustainable design that makes a **Winner ADA 2021**.

Numerous participating brands from all over the world (Europe, Japan, United Arab Emirates, Australia and the United States) have contributed to making the latest edition of this award already an outstanding success:

Herman Miller, MDF Italia, Porada, Stella Works, Natuzzi, Gallotti&Radice, De Padova, Ritzwell, Flou, Wiener GTV Design, Extremis, La Cividina, Mizetto, DesignByThem, Milla & Milli, Potocco, Opinion Ciatti, Magis, Echojazz are the names of some of the brands running in the categories **Furniture, Contract** and **Office**.

In the category **Lighting** are competing, among others, *Davide Groppi, Artemide, Centrsvet, Vibia, Brokis, Luceplan, Vistosi, d'Armes*. New entries include the Japanese brand *Ambientec* and the Scandinavian *Secto Design*.

Samsung, Boffi, Elica, Foster and *Rossana* are some of the brands competing in the category **Kitchen**. Also running in 2021 is *BT45*, the renowned German manufacturer of luxury kitchens

Among the candidates in the category **Finishes**: *Ceramica Sant'Agostino, EmilCeramica, Marazzi, CEDIT Ceramiche d'Italia, Refin, Officinarkitettura, Mardegan, ALPI, Rezina*.

This year's new entry *Kos by Zucchetti* is joining *Devon&Devon, Ceadesign, Nic, Cristina Rubinetterie, Ideal Standard* and *Ceramica Cielo* in the category **Bathroom**.

Also for the first time competing for the title **Winner ADA** is *Roberti*. In the category **Outdoor** the brand is running with *Emu, Roda, Ethimo, Desalto, Minotti, Visionnaire Garda Furniture, Kristalia* and *Pratic*.

A blend of colors and materials: in the category **Decor** contenders are *cc-tapis* (Italy), *Floor_Story* and *Deirdre Dyson*(UK), *GAN* (Spain) and *Henzel Studio* (Sweden), to name but a few.

Schüco, Velux and *Ottostumm / Mogs* are running in the category **Building Shell**. *ADL* is applying for the first time in the category **Systems, Components and Materials**, along with *BTicino, Portapivot, Ekinex* and *Vimar*. *Riello* is one of the reconfirmed candidates in the category **Construction**.

Renowned manufacturer *Acer* has joined this year's candidates in the category **Lifestyle**. The list of new entries in the category **Wellness** includes the Italian brand *Glass1989*.

Evaluation is to proceed in two stages. At the end of October, the **ADA 2021 Longlist** will be published. This list includes all products that will enter the final phase. Among the longlisted candidates the jury will subsequently select the **Winners ADA 2021**. Names will be officially announced in November.
